Levels of Foster Care offered by Licensed Child Placing Agencies (LCPAs)

Wednesday May 20, 2015

2:00 - 3:30 p.m.

Please join us in a webinar hosted by the Office of Comprehensive Services on the new “Levels of Foster Care” model offered by Licensed Child Placing Agencies as of July 1, 2015.

Implementation of the “Levels of Care” policy adopted by the State Executive Council will assist local governments and LCPAs in best meeting the needs of an individual child. Placements will flow from the Assessment Level to either the Non-treatment Level or one of the graduated Treatment Levels as determined collaboratively and based on the severity of the child’s needs. Licensing requirements including the provision of Treatment Foster Care Case Management will be discussed. Plan to bring your questions!

Join us at <http://vdss.adobeconnect.com/tfcwebinar> at 2:00 PM on May 20. Participation is limited to the first 100 to log in so please join a bit early and if possible, have multiple participants on one computer connection at your site.
