RE: Dinwiddie County Children's Services Act (CSA) Program  
Audit Self-Assessment Validation, File No. 34-2015

Dear Mr. Gurley,

In accordance with the Office of Children's Service's (OCS) Audit Plan for Fiscal Years 2013-2015, the Dinwiddie County Community Policy and Management Team (CPMT) has completed and submitted the results of the self-assessment audit of your local CSA Program by the established due date of December 31, 2014. An on-site visit was scheduled and conducted by OCS Program Auditors on April 7, 2016 to perform the independent validation phase of the process.

Based on the review and examination of the self-assessment workbook and supporting documentation provided by the Dinwiddie County CSA program, our independent validation:

Concurs                       Partially Concurs                       Does Not Concur

with the conclusion reported by the Dinwiddie County CPMT that no significant observations of non-compliance and/or internal control weaknesses were identified in the design or operation of the processes or services conducted on behalf of Dinwiddie County CSA. The Dinwiddie County CPMT has submitted a complete and satisfactory quality improvement plan addressing all non-significant observations that were identified by the CPMT, which included tasks, responsible parties, and target completion dates. OCS Program Auditors conducted a follow-up of the quality improvement plan and determined that tasks identified have been implemented and/or are currently in progress. We respectfully request that you periodically update our office once quality improvement tasks have been fully completed.

We would like to thank the Dinwiddie County CPMT and related CSA staff for their contributions in completing the CSA Self-Assessment Workbook. We also would like to acknowledge the excellent assistance and cooperation that was provided by Angel Young-Gill, CSA Coordinator during our on-site visit. Ms. Young-Gill's efforts enabled the audit staff to quickly resolve any questions/concerns that we observed during the validation process. Please feel free to contact us should you have any questions.

Sincerely,
