

The Medicaid SUD Benefit: A Response to the Opioid Epidemic

Number of All Fatal Drug* Overdoses in Virginia Cities and Counties, 2007-2014

In 2013 more Virginians died from opioid overdose than from car accidents

Magellan will continue to cover non-traditional SUD services for FFS Medicaid enrollees

The Medicaid SUD Benefit: A Response to the Opioid Epidemic

Six Proposed SUD Budget Supports for Current Medicaid Members

- 1 Expand short-term SUD inpatient detox to all Medicaid members
- 2 Expand short-term SUD residential treatment to all Medicaid members
- 3 Increase rates for existing Medicaid/FAMIS SUD treatment services
- 4 Add Peer Support services for individuals receiving SUD benefit
- 5 Require SUD Care Coordinators at Medicaid health plans
- 6 Provide Provider Education, Training, and Recruitment Activities

Proposed Implementation Timeline

Phase 1:
January
2017

- Network development and extensive training begins

Phase 2:
April 2017

- Statewide Implementation

Phase 3:
July, 2017

- Peer Support Services Implementation

Supporting the SUD benefit means keeping Virginia families together (#2 cause for VA children entering foster care) and helps adults return to work and contribute to their communities.
