**Ethics has gotten a
bad reputation.**

**Ethics is not
about problems.**

**Ethics is about
doing good.**

Ethics is personal.

**Ethics is a
responsibility.**

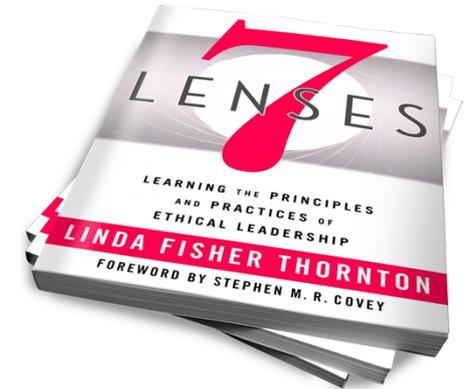

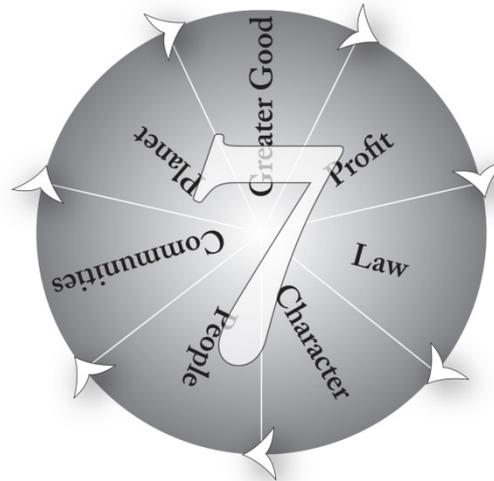

**Ethics is more than
following laws.**

Which of These is Ethical Leadership?

© 2013 Leading in Context LLC

**Ethics is
multidimensional.**

Personal

Honesty, Integrity, Character, Moral Awareness

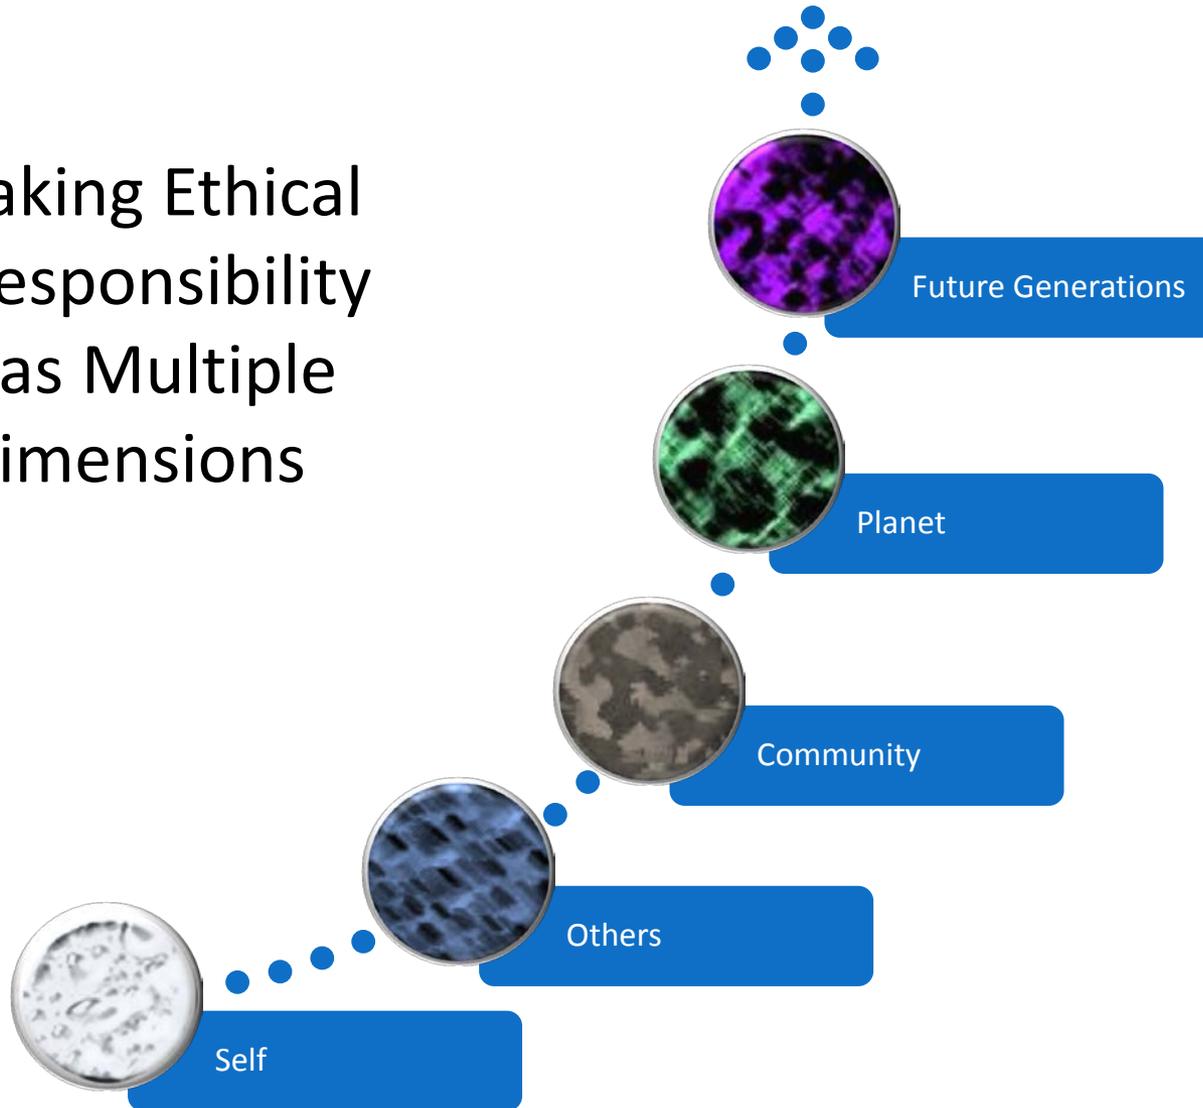

Interpersonal

Service, Respect, Care, Mutual Benefit

Societal

Long-Term Well-Being of Community, Society, Planet

Taking Ethical Responsibility Has Multiple Dimensions

**Ethics is an
opportunity.**

**Ethics is us
working together
for the good**

**of our constituents, our agencies
and our Commonwealth.**

What is Ethics?

Ethics is not about problems.

Ethics is about doing good.

Ethics is a responsibility.

Ethics is personal.

Ethics is more than following laws.

Ethics is multidimensional.

Ethics is an opportunity.

Ethics is us.

**Ethics is us working individually
and collectively for good.**

Doing Good **Without Doing Harm**

In Multiple Dimensions

Personal

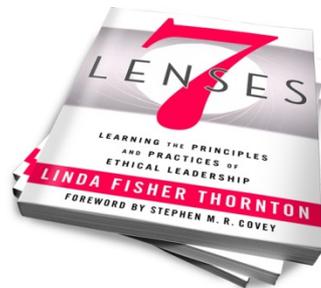

Honesty, Integrity, Character, Moral Awareness

Interpersonal

Service, Respect, Care, Mutual Benefit

Societal

Long-Term Well-Being of Community, Society,
Planet

Ethics is Us

Discussion Questions

1. What are 3 important things we have learned about ethics?
2. How can we take responsibility individually for ethics?
3. How can we take responsibility for using the highest ethics in our work together?
4. How can operating based on ethical values magnify our impact?
